Managing Consultant

Amy.Kennedy@findley.com • 419.327.4102

Prior to joining the firm in 2010, Amy was a Senior Associate in the retirement practice of a national consulting firm for 15 years. With over 20 years of experience, she has expertise in helping clients manage their financial and compliance strategies with regard to their defined benefit and defined contribution plans. In addition to the routine actuarial work, she works with clients on plan design, governance issues, employee communications, funding policies, and due diligence activities. Amy serves as the day-to-day contact for her clients and conducts meetings with her clients as well as many Boards and Committees. She assists clients by conducting education sessions for their employees on upcoming changes. Her clients range from large public companies to small private companies as well as some government plans and non-for-profit organizations.

Amy is an Enrolled Actuary (EA) and a Member of the American Academy of Actuaries (MAAA). She received her BS from the University of Michigan.
