

Justin Thacker

Principal

Justin.Thacker@findley.com • 615.665.5387

Justin is a Principal and leads the Actuarial Consulting Practice. In this role, he is responsible for working with the other leaders in the Actuarial Consulting Practice to coordinate strategy, product development, client solutions and operations.

Justin joined the firm in 1995 and has held a variety of leadership roles. He has actuarial and consulting experience related to the design, funding, administration, and regulatory compliance of retirement plans in both the private and public sectors. He has experience with both FASB and GASB accounting requirements. His clients comprise a variety of employers, including governmental entities, not-for-profit, church groups, private employers and publicly traded employers with international operations. Justin is a member of the firm's Government Practice Group.

Justin is a Fellow of the Society of Actuaries (FSA), an Enrolled Actuary (EA), a Fellow of the Conference of Consulting Actuaries (FCA), and a Member of the American Academy of Actuaries (MAAA). He received his BS from Western Kentucky University.
